

Meeting of Arlington Public Art Committee
MINUTES
Friday, September 19, 2014
Arlington Town Hall, Conference Room 1

Present: Jill Manca, Jane Howard, Donna Smith Sharff, Adria Arch (Chair)

August Meeting minutes: Minutes were tabled until next meeting.

Town Day: Many thanks to Rose Austin, Susan Frey, and Bill Turville for setting up and staffing the booth. Feedback: Received a lot of attention and positive feedback on Chairful, Transformer Boxes, and Art Rocks Menotomy. APA business cards were helpful. We could use a postcard-sized showcase of our projects (like the one the Arlington Commission on Arts & Culture has). The New Covenant School (at 5 corners) expressed an interest in Chairful participation, by school children.

Proposal for ACC grant applications: Application will be submitted for Art Rocks Menotomy 2015 by Niou, the project coordinator.

Moving forward with three project directors for 2015: Nilou for Art Rocks, Carol Cunningham for Chairful, and Jill Manca for Transformer Box Project. Adria will continue as Chair with guidance on all three projects.

Review of proposed budget by Adria: We decided to table this agenda item until next meeting (Oct. 24) when we have more members present.

New Business: Donna Sharff, executive director of the Children's Room, talked about hosting their own multi-generational Chairful.

Respectfully submitted,
Jill Manca
